FORD **MUSTANG MACH-E** (MY25)

RWD (Standard)

- 19" Alloy Wheels
- LED Reflector Headlamps
- LED Mustang Signature Taillights
- Mirrors: Black Painted, Power Fold, Power Adjustable with Puddle Light Mustang Logo Projection
- Adaptive LED Headlights
- Auto Light and Auto High Beam
- Frunk (Front Trunk)
- Privacy Glass
- Auto-dimming Rear View Mirror (Electrochromatic)
- Auto Rain Sensing Variable Intermittent Front Wipers
- Black Onyx Full Sensico Leather Trim with Grey Stiching
- Heated Driver and Passenger Seats
- Heated Steering Wheel
- Sensico Leather Wrapped Steering Wheel
- 6-Way Manual Driver and Passenger Seats - Fore/Aft/Up/Down/Recline
- 10.2" Full Digital Cluster
- 15.5" Touchscreen with SYNC 4 with Navigation, Wireless Apple CarPlay / Android Auto Capability and Natural Voice Search
- FordPass Connect (Embedded Modem)
- Inductive Wireless Phone Charging
- E-Latch Keyless Entry System (Inc. B-Pillar Keypad Access)
- Keyless Start
- Lane Keeping Aid + Lane Departure Warning
- Adaptive Cruise Control Control with Stop & Go (iACC 2.0)
- Front and Rear Parking Sensors
- BLIS with Cross Traffic Alert
- Front / Side / Rear View Camera
- Selectable Drive Modes (Active, Whisper and Untamed)
- One Pedal Drive
- LED Charge Status Indicator on Charge Port
- Dual-zone Electronic Air Temperature Control (DEATC)
- Heat Pump
- Pre Collision Assist Including: Collision Mitigation, Forward Collision Warning, Dynamic Brake Support, Automated Emergency Braking, Distance Alert/Distance Indication And Evasive Steer Assist and Intersection Assist 2.0
- Speed Sign Recognition: Evasive Steer Assist, Cross Traffic Alert with Braking, Post Impact Braking, Intersection Assist
- Thatcham Category 1 Alarm - Includes Combined Sensor Module CSM and Battery Backed Sounder BBS
- Quickclear Heated Windscreen
- "Smart" Occupant Sensing Airbags - Driver and Passenger Restraint Front Airbags
- Driver Side Knee Airbag, Air Curtains (1st/2nd Row), Side Airbags (1st/2nd Row)
- e-Call
- Single Motor Rear Wheel Drive

Premium RWD (additional to Standard)

- 19" Alloy Wheel - Premium Design
- Red Calipers with White Brembo Branding
- Mustang Signature Headllamps with Glare Free
- Black Perforated Full Sensico Leather Trim with Red Stiching
- Power Driver & Passenger 10-Way Seats with Memory (Fore/Aft/Up/Down/Tilt/Recline/Lumbar)
- Multi-Colour Ambient LED Lights
- Dark Headliner with Black Onyx A-B-C Pillar covers

Premium AWD (additional to Premium RWD)

- Hand Free Power Tailgate
- B&O™ 10-Speaker Audio System - 4 front / 4 rear / 1 center / 1 subwoofer
- Panoramic Fixed Glass Roof
- Infra-red Reflective Windshield
- Dual Motor All Wheel Drive

GT (additional to AWD)

- 20" Cast Aluminum Wheel
- Miko Suede Wrapped Sport Steering Wheel
- Unique GT Front Grille Design
- 19" Brembo Brakes with Red Calipers
- Unique GT Bumpers
- GT Scuff plates
- Wheel Lip Moldings - Body Color and Door Cladding - Painted Black
- GT Performance Seats
- 860 Nm of torque
- MagneRide Suspension

PRICES	RWD	Premium RWD	Premium AWD	GT

91KwH Extended Range GT	515 km	21.1	11	9h45m	7h10m	150	45m

- **Energy Consumption**: The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming.
- **Range**: Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, vehicle maintenance, and lithium-ion battery age. WLTP Overall Range reflects a combined driving cycle and WLTP Extra High reflects motorway driving – both tests are conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load.
- The **battery capacity** figure specifed is the usable capacity determined by Ford and used to deliver the stated Mustang Mach-E performance and battery durability. The figure shown in brackets is the installed capacity as defined by the battery manufacturer.
- **Charging time**: Time dependent on charging conditions, battery temperature and size as well as ambient temperature at point of use.

PERFORMANCE	Power KW	Power PS	Torque Nm	Max speed (km/h)	0-100 km/h (secs)
70KwH (75KwH) Standard Range RWD (LFP)	197 KW	268 PS	525	180	5.9
